

The Shrewsbury and Telford Hospital NHS Trust Strategic Priorities 2015-2016

Putting Patients First

Quality and Safety

Providing safe services, consistently delivering healthcare standards and improving the patient experience

People

Developing a flexible workforce to meet the changing needs of our communities and the services we deliver

Innovation

Striving for excellence through technology and innovation

Community and Partnership

Working with partners to improve the health and wellbeing of our community

Financial Strength

Building a sustainable future

1. Reduce harm, deliver best clinical outcomes and improve patient experience.
2. Address the existing capacity shortfall and process issues to consistently deliver national healthcare standards.
3. Develop a clinical strategy that ensures the safety and short-term sustainability of our clinical services pending the outcome of the Future Fit Programme.
4. Undertake a review of all current services at specialty level to inform future service and business decisions.
5. Develop a sustainable long-term clinical services strategy for the Trust to deliver our vision of future healthcare services through our Future Fit Programme.
6. Through our People Strategy develop, support and engage with our workforce to make our organisation a great place to work.
7. Support service transformation and increased productivity through technology and continuous improvement strategies.
8. Develop the principle of 'agency' in our community to support a prevention agenda and improve the health and wellbeing of the population.
9. Embed a customer focussed approach and improve relationships through our stakeholder engagement strategies.
10. Develop a transition plan that ensures financial sustainability and addresses liquidity issues pending the outcome of the Future Fit Programme.
