

Dementia Services

Welcome to the Dementia Support Service

We are pleased to introduce to you the Dementia Clinical Specialist and Dementia Support Workers!

They are working with the Associate Director of Patient Experience and Quality to support the improvement of the care of people living with Dementia and their carers in SaTH.

This work includes:

- The National Screening Programme for all unscheduled admissions aged 75 and over
- Support for all staff, patients and carers in every area
- Use of the Butterfly scheme and REACH approach, use of the Pt Passport—**This is Me** and the Carers Passport

The team are contactable on

RSH 3571 or bleep 592 / PRH 4679 or bleep 591

Karen Breese Clinical Specialist
