How to pay to park

Patients and visitors should pay on arrival at the PRH. You should pay a fee which is enough to cover the anticipated length of your visit. The hospital can be very busy so please allow plenty of time before your appointment to park. The car parks are managed on our behalf by CP Plus. Please talk to the CP Plus car parking attendants if you are having difficulty finding a space. A tiered charging structure is in operation, offering a range of rates for different lengths of stay. The tariffs include free parking for up to 30 minutes. If you park at RSH/PRH and then travel to the other site you will not have to pay again within the period you have paid for. If you arrive at PRH first, please pay for the duration of your stay and your displayed ticket will cover you for your visit to RSH for the period you have paid for. If you arrive at RSH first though a different system is in operation. You will need to use the pay-on-exit system and obtain a receipt from the car parking attendants. When you arrive at PRH please take your receipt to the car parking booth and the attendants will take note of your registration so you don't have to pay again for the duration of the visit you paid for at RSH. The charges are:

0 to 30mins – Free; 30mins to 2hrs – £2.50; 2hrs to 5hrs – £3.00;
5hrs up to 24hrs – £3.50; 10-visit ticket – £8.00.

A range of concessions is available by visiting the Trust's website at www.sath.nhs.uk/patients-and-visitors/Getting-to-us/car_parking.aspx
