

Appendix 1.

**Potential donors after brain death.**

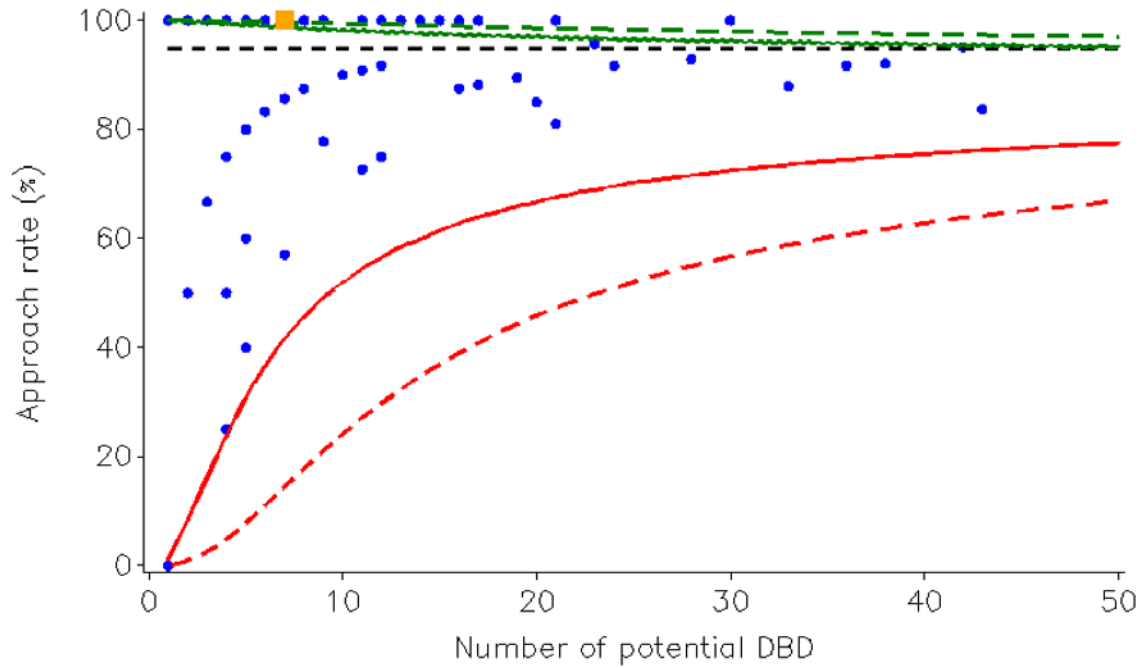

**Funnel plot of neurological death testing rate by number of neurological death suspected patients, 1 April 2010 to 31 March 2011**

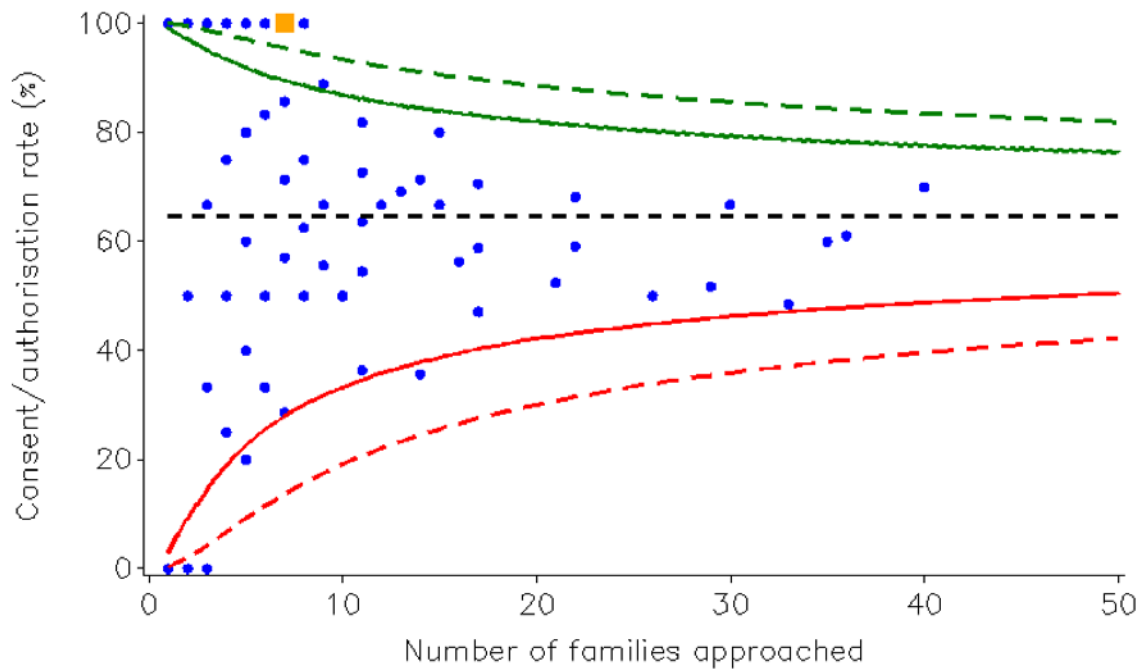

**Funnel plot of DBD referral rate by number of neurological death suspected patients, 1 April 2010 to 31 March 2011**

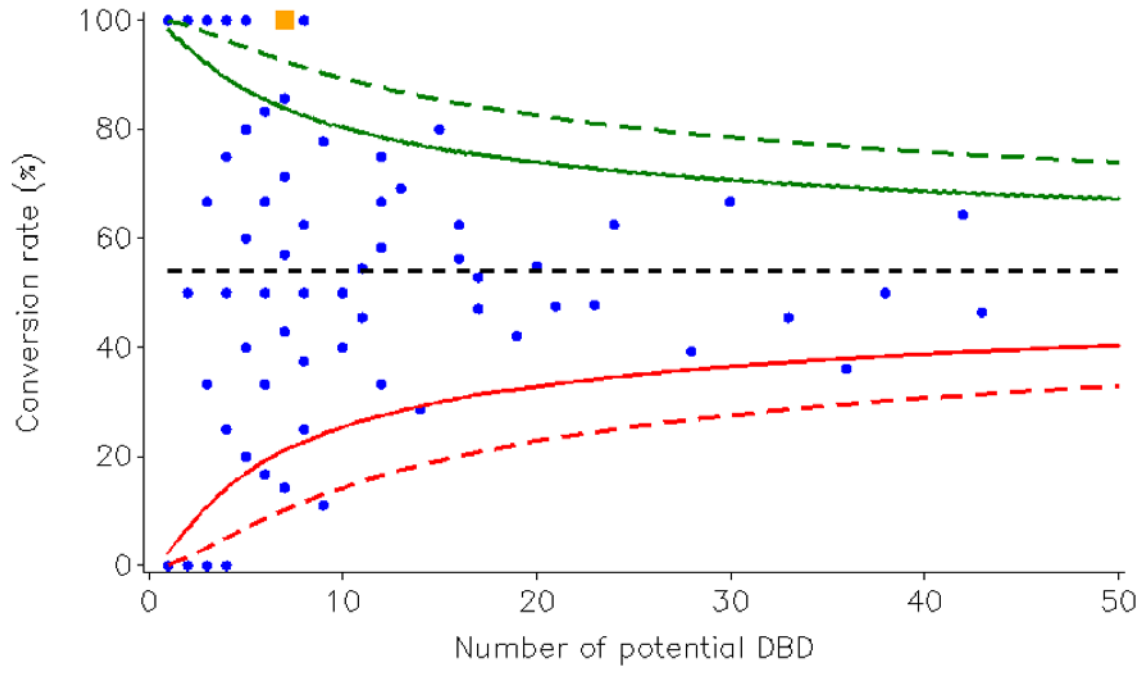

**Funnel plot of DBD approach rate by number of potential DBD, 1 April 2010 to 31 March 2011**

**Funnel plot of DBD consent/authorisation rate by number of families approached, 1 April 2010 to 31 March 2011**

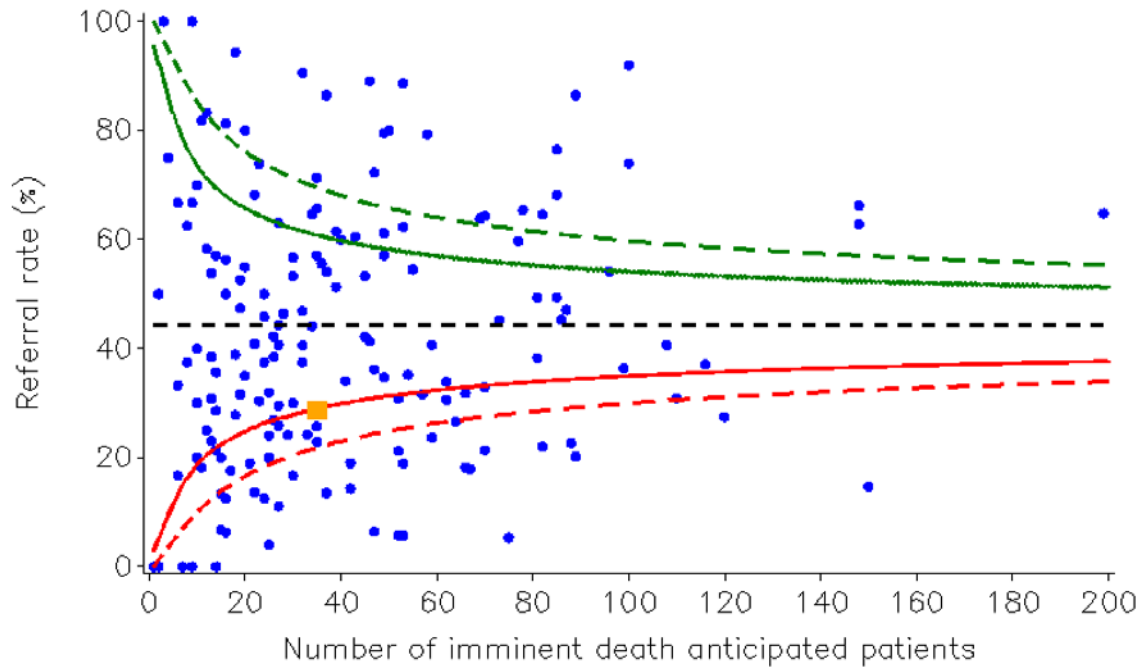

**Funnel plot of DBD conversion rate by number of potential DBD, 1 April 2010 to 31 March 2011**

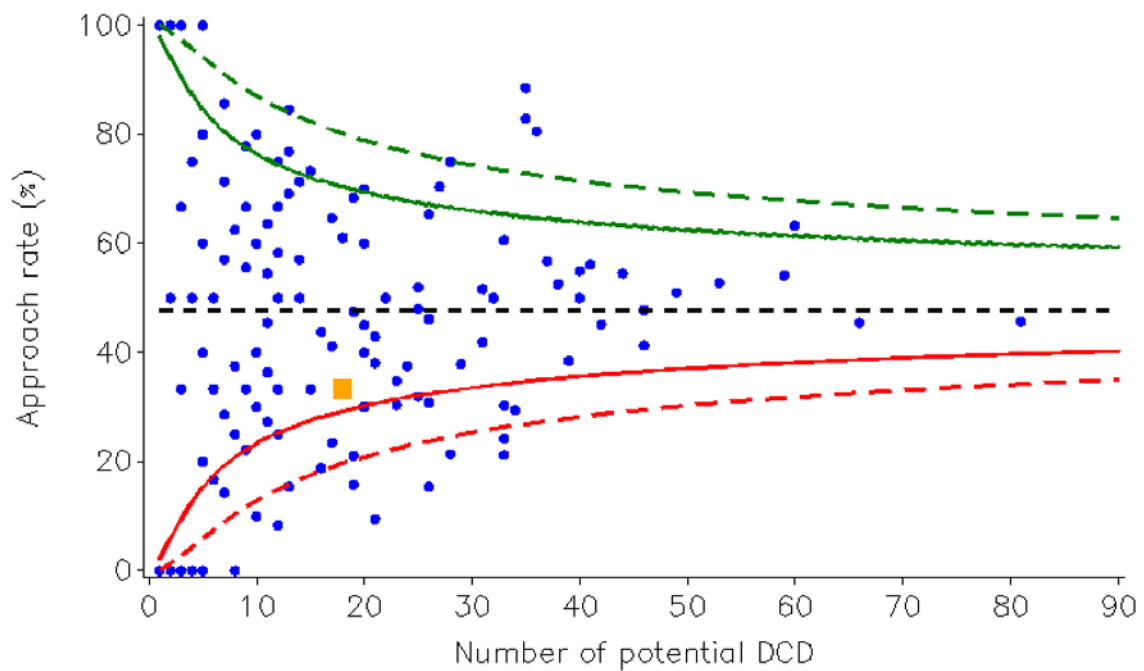

**Potential donors after circulatory death.**

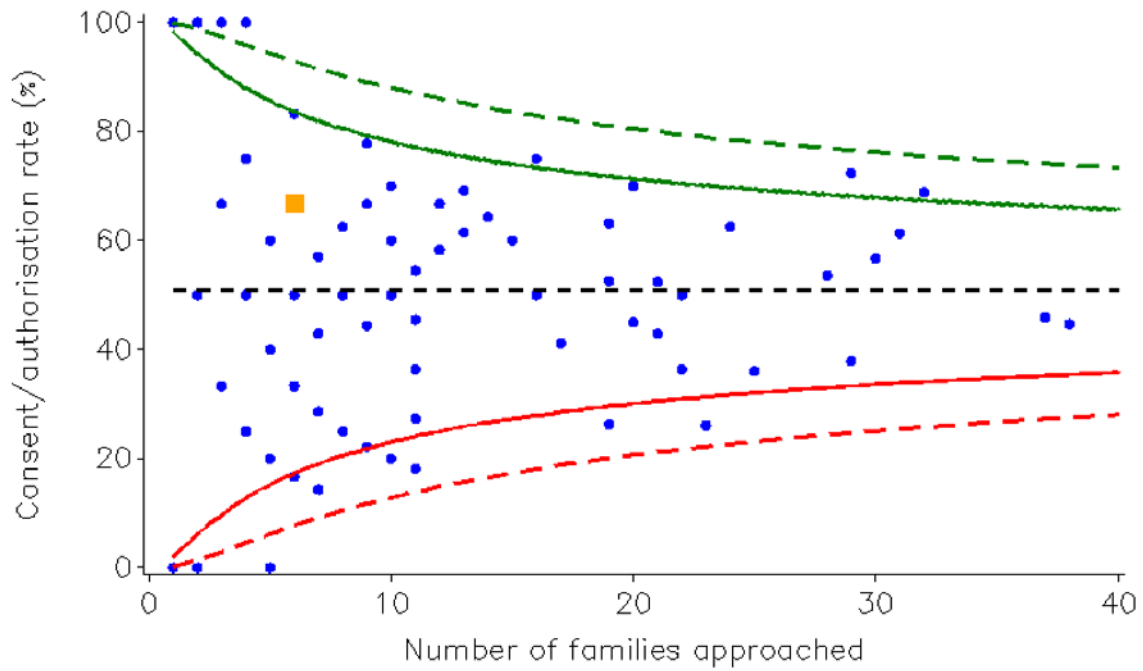

**Funnel plot of DCD referral rate by number of imminent death anticipated patients, 1 April 2010 to 31 March 2011**

**Funnel plot of DCD approach rate by number of potential DCD, 1 April 2010 to 31 March 2011**

**Funnel plot of DCD consent/authorisation rate by number of families approached, 1 April 2010 to 31 March 2011**

**Funnel plot of DCD conversion rate by number of potential DCD, 1 April 2010 to 31 March 2011**
