

Concessionary Patient & Regular Visitor Parking Pass Application

This form is issued subject to the Parking Policy and Terms & Conditions currently in force on the **Shrewsbury and Telford Hospital NHS Trust** sites.

A concessionary 10-visit parking pass is available to patients attending for regular treatment (but please note that dialysis, radio- and chemo-therapy patients receive free parking). The concessionary pass is also available for visitors to in-patients with an expected duration of stay of 3 days or more. It is valid for up to 12 weeks.

Please complete this form and have it signed by the Authorised Person prescribing the Treatment plan or Department Head. Once complete, take it to the *CP Plus* staff in the parking booth and they will guide you through the process.
