

"Time to go home"

The Day

We will tell you when we expect you to be going home. You and your visitors will see this on the ward by your bed. If you are unsure of your 'going home' date, please ask a member of ward staff.

The Time

We will make arrangements for you to leave hospital **before midday** whenever possible. Please ask staff to confirm the time you will be leaving so you can make the necessary travel arrangements.

If you have any questions or concerns about going home, please speak to a member of ward staff
