Contribution to Inspection, Registration, Assurance, Performance and Delivery

Risks and Assurance	Ensuring that we develop robust measures to assess strategic performance will minimise the risk associated with the delivery of our strategies and provide a warning system for the Executive Board where further attention is required.
Contribution to Key Performance Indicators	This paper provides details of our performance to date against our headline measures to ensure that we are managing key areas of performance in a timely manner.
Compliance with Clinical and other Governance Requirements	The balanced scorecard will form the performance management framework for the Trust and will be used at key sub committees and at the Trust Board
