Executive Summary	<ul style="list-style-type: none"> • Further to discussion at Finance Committee on 26th January, 2016, and in line with Department of Health (DH) requirements the Trust Board is asked to note the following and agree Trust Board Resolution. • The Trust has an agreed Interim Revolving Working Capital Support Facility (RWC) for £16.8 million from DH, representing 20 days equivalent operating expenditure, with the option to increase this to 30 days equivalent operating expenditure by way of a Variation. However, the Trust can only drawdown to a maximum of £15.2 million in line with Trust's stretch target. • To January 2016 the Trust has drawdown £14.311 million of RWC, with the intention of drawing the remaining £889k before year end. • The Trust has received confirmation that DH has approved an Interim Revenue Support Loan for £15.2 million over 3 years, which will replace the Trust's existing Interim RWC. In principle the Trust is required to repay the sum in year 3 unless approval is obtained from NHS Improvement to underwrite the loan through either PDC or a new loan. • The loan awarded is a maturity loan facility to support interim working capital requirements in advance of the development and delivery of a recovery plan. • Interest will be payable to DH every six months based on amounts which are confirmed by the DH. Interest will be charged at a rate of 1.50% based on daily outstanding balances. • Principal will be due for repayment on maturity and repayment will be reviewed by the DH in advance of the loan maturing. • To access this facility the Trust is required to complete the necessary paperwork and to provide a Trust Board resolution as attached, agreeing to the terms within the attached Loan Agreement, including the Additional Terms and Conditions contained in Schedule 8.
