

Dementia support service

The team are working to improve the experience of people living with Dementia and their carers in SaTH

This work includes:

- The National Screening Programme for all unscheduled admissions aged 75 and over
- Support for all staff, patients and carers in every area
- Use of the Butterfly scheme and REACH approach, use of Pt Passport—**This is Me**
- Carers Passport (Johns Campaign)

The team are contactable on

RSH 3571 or bleep 592 / PRH 4679 or bleep 591
