

Blue Badge Holder?

From 1 November 2020, parking for Blue Badge holders is free.

To register your vehicle, please show your Blue Badge to a car park attendant who will record your details on the system.

Remember to display your Blue Badge wherever you park.

No car park attendants available?

If there are no attendants available, please leave without paying and telephone the car park attendants, or the Trust Car Park Department, the next working day. We will be happy to help.
