

Accessing a PCR Test

If you or your family have symptoms of Covid-19 or if your LFD test result is positive, you must isolate and arrange for a PCR test

PCR tests can be booked via the government portal which can be accessed at
www.gov.uk/get-coronavirus-test

You must notify your Manager that you have Covid-19 symptoms or have tested positive via your LFD as soon as possible even if it is a non-working day

Manager Action:

Managers must update the absence on Healthroster within 24hrs. If it is not possible to do this, please email sickness.reporting@nhs.net

When you receive your PCR result, inform your Manager as soon as possible. Typically this should be within 24hrs of receiving your results

Manager Action:

Results must be updated on Healthroster within 24hrs.
If the test result is positive email sickness.reporting@nhs.net

Sickness Reporting will arrange for Shropshire Community Occupational Health to contact you to confirm any workplace contacts and offer wellbeing support and advice

If you are not able to access a PCR test via the Government Portal or would prefer for a PCR test to be arranged by SaTH please email sickness.reporting@nhs.net
