Janet	Flavell-Raybone	Nurse Practitioner	Financial interests	Outside employment	Completion of totally self funded Diploma in counselling June 2023. Intention since beginning the course was to work 6 hours max per week (on days off) external to my work at Sath to work as a counsellor in worcestershire where I live. These additional hours do not exceed the limit under working time regulations, neither does this external work in anyway diminish my contribution and commitment to my role as a nurse practitioner in orthopaedics at PRH. My role as a counsellor is a combination of some paid and some voluntary hours.	22/08/2023		My current working hours at Sath is 33 (worked over 3 days mon/tues/fri) The counselling qualification continues to support my role as MHFA and P2P listener supporting staff well being at the Trust. I do not believe there to be any conflict of interest to my role within Sath in taking account of this declaration.
