Jason	Kasraie	Fertility Manager	Indirect interests	Sponsored events	Funded to attend Ferring pharmaceuticals 'Exchanges in Fertility' meeting, held in Valencia on the 10th and 11th October 2024	10/10/2024	11/10/2024	It is standard practice in the UK for companies to sponsor clinicians to attend meetings and to organise such meetings nationally and internationally. This is an excellent CPD opportunity and will contribute to maintaining my professional registration. It has been approved by Carol McInnes (Director of W&C). I would estimate the cost/value of the sponsorship to be £300 (return flights via Ryanair and 1 night accommodation in Valencia).
Jason	Kasraie	Fertility Manager	Indirect interests	Sponsored events	Funded to attend the IBSA pharmaceuticals 'Southern Nurses Meeting' as a paid speaker (£587 total). Delivering a talk on the use of treatment add-ons as defined by the Human Fertilisation and Embryology Authority in UK practice. IBSA have no control over the content of the talk and I will not be discussing any of their products during my talk. The talk is being delivered in my own time, on a Saturday.	12/10/2024	12/10/2024	It is standard practice in the UK for companies to reimburse clinicians for contributions to sponsored meetings through payments for speaking at a meeting or chairing a session. The meeting is not in working hours (on a Saturday). Payment is for 2hours and 40 minutes work (presentation preparation time and speaking).
Jason	Kasraie	Fertility Manager	Non-financial professional interest	Sponsored events	Funded by Fertility conferences UK (a company representing the three main professional bodies in the UK- The British Fertility Society, the Association of Reproductive and Clinical Scientists and the Society for Reproduction and Fertility), the organiser of the main UK fertility conference to attend their January conference (Fertility 2025) and speak at the meeting. The approximate cost of attendance is £435 for the conference and approximately £400 for accommodation.	09/01/2025	11/01/2025	There is no potential conflict as the professional societies do not sell any products or services. This is a national conference organised by professional bodies. It is normal practice to cover expenses for invited speakers to these events.
Jason	Kasraie	Fertility Manager	Indirect interests	Hospitality	Supported to attend the European Society for Human Reproduction and Embryology meeting in Amsterdam 8th-10th July by IBSA pharmaceuticals They have paid for flights, conference registration and accommodation.	05/03/2024	05/03/2025	This is the major European fertility conference each year. IBSA will take a large group of clinicians from around the UK. Study leave was approved by Carol McInness (Director of W&C). I would estimate total value of sponsorship to be £700 (flights, accommodation and conference registration). This conference is the largest and most important scientific meeting in the field in the world each year. This conference is essential for maintenance of CPD and clinical skills/knowledge. Sponsorship to attend reduces the cost to the organisation.
