Marsha	Addison	Manager	Financial interests	Loyalty interests	DECLARATION ON BEHALF OF AUDIOLOGY DEPARTMENT NOT PERSONAL: In Adult Audiology, our hearing aid supplier, Oticon (who supply approx 90% of our hearing aids) have offered to print a couple of our information leaflets for our patients. The leaflets would include our Trust logos and the content of the leaflet would be written by both the Trust and the supplier (although mostly the supplier due to images that they have and wording they have used regarding patient hearing with other Trusts). There would be no logos from the supplier.	03/08/2025		This printing would continue in the future Regarding the current leaflets we print, it is the cost of the paper £9.75 for case 2500 and printing invoice from Apogee £438.65 + VAT There are no terms and conditions related to this offer and Oticon have confirmed this to. The hearing aid contract we have with this company is historically long standing and separate from this. Oticon will supply the printed leaflets as a when we need them. The reason/benefits of accepting this offer is that it will improve patient experience as patients will receive well designed hearing literature in a standardised format which uses good, clear fit for purpose information and images. It will be a cost saving for the Trust as these leaflets will be provided as and when needed and reduce printing cost.

Janet	Flavell-Raybone	Staff Nurse	Indirect interests	Outside employment	I practice facial injectable treatments on one of my Non working days with Sath	20/10/2025		
Janet	Flavell-Raybone	Staff Nurse	Financial interests	Outside employment	Completion of totally self funded Diploma in counselling June 2023. Intention since beginning the course was to work 6 hours max per week ( on days off) external to my work at Sath to work as a counsellor in worcestershire where I live. These additional hours do not exceed the limit under working time regulations, neither does this external work in anyway diminish my contribution and commitment to my role as a nurse practitioner in orthopaedics at PRH.	22/08/2023		The counselling qualification continues to support my role as MHFA and P2P listener supporting staff well being at the Trust. I do not believe there to be any conflict of interest to my role within Sath in taking account of this declaration.

I have been doing this for over 15 years now and is my way of putting something back into the grassroots game that I enjoyed so much in my younger years.	14/07/2025		I generally only do adult football on a Saturday afternoon and a Sunday morning and junior games as and when required. I do not let this interfere with my work rotas and always give the relevant parties notifications of my closed dates due to working at the hospital.

Arif	Razzak	Specialty Doctor	Indirect interests	Outside employment	I am planning on taking part in a project. The role is: dental external expert QA consultant for Immersify education (a healthcare ed-tech company), which specialises in lessons, augmented reality and assessments using virtual reality. Although I aim to do the work for this outside of work hours, and am not being taken on in a paid role, there is the potential in the future that I may be paid to take part in development processes behind this (potentially a few hours a month). My reasoning for looking into this project is the educational and research role exploring virtual reality training which I think will benefit my educational role at PRH as well as my development as a clinician.	28/08/2024	27/08/2025	I haven't got a "termination date" as of yet.
